

Summer 2022 11v11

Inclement Weather Policy

1) In case of grass fields being unplayable due to excessive rainfall, the Town of Milton advises all user groups by **1:00 PM of field closures**. In the event of fields being closed, the league (MASL) would email all captains with an update after 1:00 PM on the day of scheduled games.

2) All scheduled games are played in rain or shine. The league (MASL) will not postpone/cancel games based on the weather forecast leading up to the match.

Thunderstorms

If the match official(s) hear thunder, followed by seeing lightning at any point, games will be suspended for a period of 30 minutes. All players are to quickly proceed to a safe structure/location and await final ruling from the match official(s) and/or league staff. If the storm passes, games would resume based on the amount of time remaining in the match. If not, games would be postponed to an alternate date.
